Step-by-Step Guide

1 Step 1: Visit the Official MathWorks Website

Go to the official MathWorks website: <https://www.mathworks.com/>.

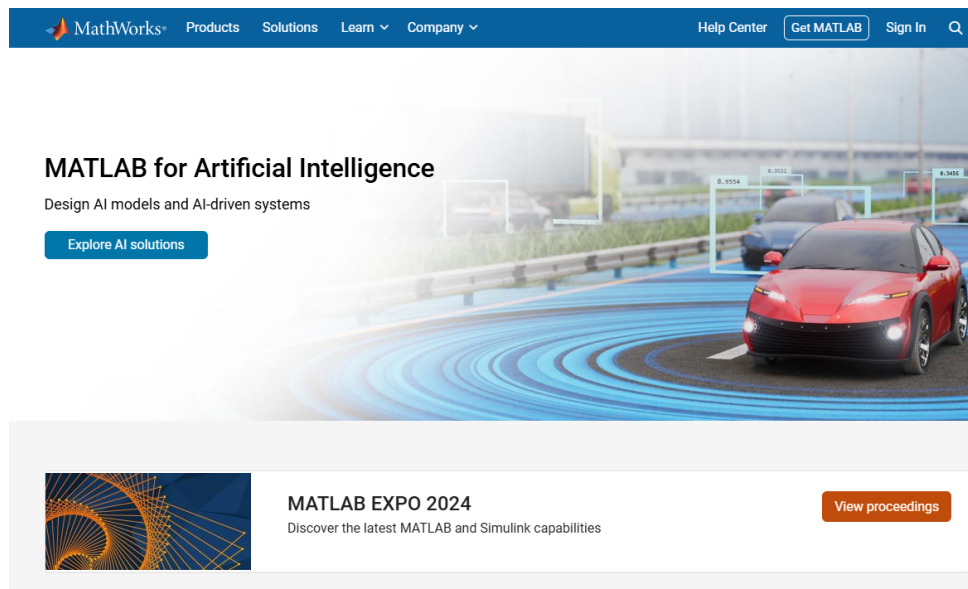

Figure 1: MathWorks homepage

2 Step 2: Navigate to Get MATLAB

Click on the button labeled "GET MATLAB" on the homepage.

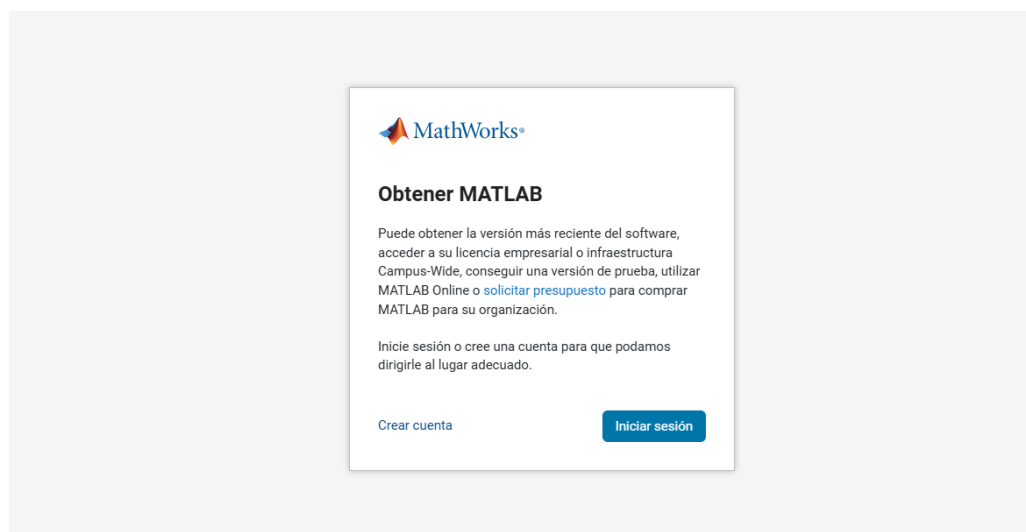

Figure 2: Locating the "Get MATLAB" button

3 Step 3: Create an Account

If you don't already have a MathWorks account, sign up using your email address.

Figure 3: Account creation page

4 Step 4: Choose the Free Trial Option

Look for the option labeled:

"Versión de prueba de MATLAB de 30 días: Uso ilimitado en el escritorio y online."

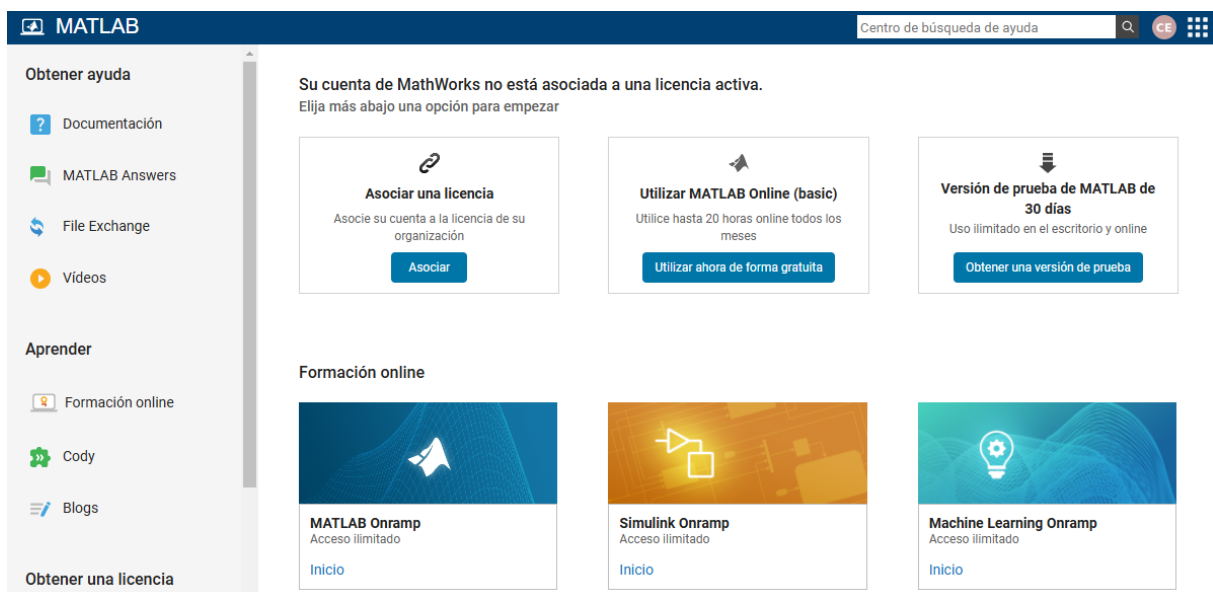

Figure 4: Selecting the free trial option

5 Step 5: Download MATLAB

Follow the instructions provided by MathWorks to download the installer to your device.

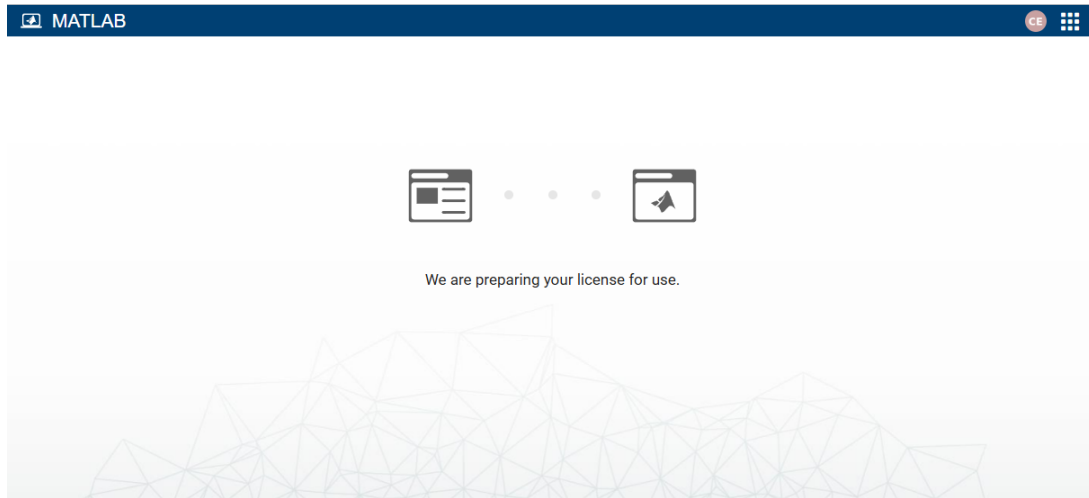

Figure 5: Downloading the installer

6 Step 6: Install the Software

Run the installer and follow the on-screen instructions to complete the installation process.

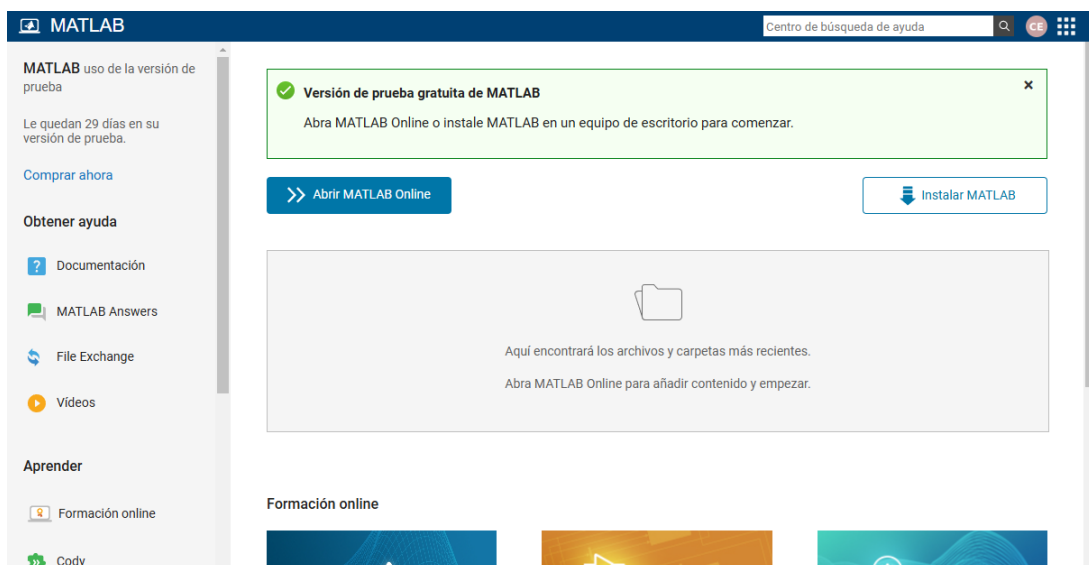

Figure 6: Running the installer

7 Step 7: Activate Your Free Trial

Log in with your MathWorks account credentials to activate the 30-day free trial.

Important Note

There are alternative methods to access MATLAB that are not ethical or legally authorized. These methods violate intellectual property rights and could carry significant risks, such as malware or legal consequences. It is strongly recommended to use legitimate options to maintain professional integrity.
